

MILAN LIBERTY SECRETS

Discover the City Beyond the Ordinary

Beyond Milan's celebrated landmarks lies a more intimate and sophisticated side of the city, where historic palaces, private villas, elegant gardens and remarkable architecture reveal the refined character of Milan.

This exclusive walking tour explores Porta Venezia and the Quartiere del Silenzio, discovering one of the city's most elegant and fascinating neighbourhoods. Accompanied by an expert Tour Guide, guests will admire the extraordinary Liberty architecture of Palazzo Castiglioni, Casa Galimberti and Casa Guazzoni, together with the elegant exterior of Villa Necchi Campiglio and the peaceful Indro Montanelli Gardens.

Along the way, discover the stories, architectural details and fascinating characters that shaped this refined corner of Milan, where Art Nouveau elegance meets the atmosphere of the city's aristocratic past.

A beautifully curated experience designed for travellers looking to discover Milan beyond the usual landmarks — an intimate journey through architecture, history and the city's timeless elegance.
